

We are happy to announce our restaurant will be re-opening from 4<sup>th</sup> July 2020 with limited seating available.

---

In order to meet government guidelines and maintain a safe environment for both our customers and our staff we have made the following changes to our dine in system:

- Customers MUST book their table in advance as we will not be accepting any walk ins.
  - Customers will be given an arrival time slot for social distancing purposes which MUST be adhered to.
    - The maximum group size we are happy to accept is 6 people per table (subject to availability).
  - Age restrictions apply until further notice - all dine in customers must be above the age of 13 years old.
  - We kindly request customers to have left our restaurant by 9PM latest to allow our staff to safely clean down the premises.
- 

### USEFUL INFORMATION:

Hand sanitisation stations will be situated at the entrance of our restaurant for customers to use if they would like.

Please be aware that we continue to accept collection orders during our opening hours – this means other customers will be entering the premises to pay for and collect their food throughout the evening.
