

## As from Thursday 24<sup>th</sup> September 2020

The restaurant and takeaway will be closed at 10.00pm and we ask that customers please make every effort to leave the premises by that time.

All customers will be required to wear their mask when entering the premises (*even for collecting takeaway orders*)

Customers may remove their masks when they are at their table but they should wear them if leaving the table for any reason (using the toilet etc).

### Government guidelines are as follows:

- follow the limits on the number of other people you should meet with as a group (it will be illegal to be in group of more than six from outside of your household or support bubble)
- avoid mingling with anyone outside the group you are with, even if you see other people you know
- provide your contact details to the organiser so that you can be contacted if needed by the NHS Test and Trace programme

We apologise for any inconvenience caused whilst we endeavour to adhere to all the guidelines.

We hope you still enjoy your dining experience with us.

Thank you all for your understanding, and please remember  
We are all in this together.
